ABOUT ME

I have started leaning Web Development for 1+ years . After graduating the Complete 2020 Web Development Bootcamp, I gained skills like HTML, CSS, JavaScript, Bootstrap, NodeJS, ReactJS and MondoDB. Giving that I managed to work on multiple personal projects which I have published on GitHub. I am a fast self learner, so I have learned on my way PHP and MySQL . After that, at my job, I've also learned to work with WordPress and how to make an ecommerce website for online shopping. And now, I can say that I have a wealth of knowledge.
